

Purina® Goat Kid Milk Replacer

LEARN
MORE

Balanced Nutrition to Support Optimal Goat Kid Growth

Purina® Goat Kid Milk Replacer is formulated to provide goat kids with high quality digestible nutrition that mimics actual doe's milk, designed to support healthy, energetic goat kids.

Balanced Nutrition

Formulated with 25% protein and 28% fat to support efficient kid growth.

Supports Immune Function

Complex carbohydrates support immune health and gut health in goat kids.

Added Prebiotics

Supports gut function and optimizes digestibility.

Preservation System

Allows for hand feeding or free-choice.

DIRECTIONS FOR USE

Detailed feeding and mixing instructions can be found on the back of the package. Intended for use in goat kids from Day 2 to Weaning.
