 SUPPLEMENT FOR MAINTAINING WILD BIRDS

CONTAINS NEW

**POWER NUGGET™**

supplement to help support the natural forage of wild birds

3003252-612

NET WT. 20 LB (9.07 KG)

**WHAT IT IS:**

A highly-palatable, easy-to-use 20-pound premium block supplement for attracting and maintaining cardinals, doves, chickadees, finches and other wild birds. Now containing the new Purina® Power Nugget™ supplement, new and improved Premium Wild Bird Block provides more balanced nutrition for wild birds than whole grains.

**FEATURES AND BENEFITS:**

- **New Power Nugget™ Supplement** – Helps support the natural forage of wild birds
- **High quality seeds and optimized formula** – Provide more balanced nutrition than whole grains
- **Proprietary flavor** – Attracts a wide variety of wild birds
- **Highly palatable** – Helps ensure strong consumption and keeps wild birds coming back
- **Easy to use** – Simple to set up in the area you want to attract and feed wild birds; No feeder required; Convenient carrying handle provides for easy transport
- **Long lasting** – Economical choice to attract wild birds year-round

**HOW AND WHEN TO FEED:**

New and improved Purina® Premium Wild Bird Block is designed to be fed year-round to supplement natural diets. Designed to support wild birds and help regulate consumption of Purina® Premium Wild Bird Block according to the availability of natural diet. Remove the plastic shrink-wrap and place block on bare ground under tree shelter within the normal range of wild birds and close to a constant supply of fresh, clean water.

A feeding program is only as effective as the management practices followed and should only be used in combination with good conservation practices.

**CAUTION:**

Not a complete feed. Do not place block on grass or lawn. Block may kill grass before it is completely consumed. Store in a dry, well-ventilated area protected from rodents and insects. Do not feed moldy or insect-infested feed to animals as it may cause illness, performance loss or death.

**NOTICE:**

Regulations for the feeding of game animals vary from state to state. Check with your State Game and Fish Department or the Department of Natural Resources for guidelines on the proper use of this product.
