**B L O C K**  
 SUPPLEMENT FOR MAINTAINING GAME BIRDS

**WHAT IT IS:**

A highly-palatable, easy-to-use 20-pound premium block supplement for attracting and maintaining pheasant, quail and other game birds. Now containing the new Purina® Power Nugget™ supplement, new and improved Premium Game Bird Block provides more complete nutrition for game birds than whole grains.

**FEATURES AND BENEFITS:**

- **New Power Nugget™ Supplement** – Helps support the natural forage of game birds
- **High quality seeds and optimized formula** – Provide more complete nutrition than whole grains
- **Proprietary flavor** – Attracts a wide variety of game birds
- **Highly palatable** – Helps ensure strong consumption and keeps game birds coming back
- **Easy to use** – Simple to set up in the area you want to attract and feed game birds; No feeder required; Convenient carrying handle provides for easy transport
- **Long lasting** – Economical choice to attract game birds year-round

**HOW AND WHEN TO FEED:**

New and improved Purina® Premium Game Bird Block is designed to be fed year-round to supplement natural diets. Place blocks on the ground within the normal range of game birds. Designed to support game birds and help regulate their consumption of Purina® Premium Game Bird Block according to the availability of natural diet.

A feeding program is only as effective as the management practices followed and should only be used in combination with good conservation practices.

**CAUTION:**

Not a complete feed. Do not place block on grass or lawn. Block may kill grass before it is completely consumed. Store in a dry, well-ventilated area protected from rodents and insects. Do not feed moldy or insect-infested feed to animals as it may cause illness, performance loss or death.

**NOTICE:**

Regulations for the feeding of game animals vary from state to state. Check with your State Game and Fish Department or the Department of Natural Resources for guidelines on the proper use of this product.

**GUARANTEED ANALYSIS:**

Crude Protein (min)	10.00%
Lysine (min)	0.34%
